

## Church of the Pines

### In-person Worship Service Information

We look forward to coming back together for limited in-person worship services at Church of the Pines!

To provide for the safest gathering possible, the following guidelines have been implemented for all who plan to attend. We look forward to seeing you!

- You are asked to be fully vaccinated to attend indoor Sunday worship services at Church of the Pines. Fully vaccinated means that you have received the required number of vaccines, 1 or 2 vaccines depending upon which vaccine you had, plus completion of the two-week period following your final vaccination.

- Do not attend if you are not feeling well, even slightly, and especially if you have a fever or any respiratory symptoms or other symptoms that the CDC has identified
- The number of guests is limited. Seating is done according to social distancing guidelines and by family units.
- Guests are asked to enter the church from the Chippewa Street entrances into the church. There is a ramp entrance located at the front of the church (Chippewa Street) for use by those unable to navigate stairs.
- Upon entry, you will be asked to verify your contact information, including your name, address, and telephone number, so that this information can be provided to the health department if someone at the service tests positive for COVID-19.
- Face coverings are required and need to be in place, covering both your mouth and nose before entering the church. Face coverings are to be worn the entire time while in the church, and you are asked to keep your face covering on until you return to your vehicle following the service.
- A hand-sanitizing station will be located inside both entrances. Everyone is asked to sanitize their hands upon entry.
- Please observe safe social distancing at all times, keeping at least six feet from other people.
- For safety reasons, there will be no reception with refreshments following the service.
- **If, for whatever reason, you decide not to attend the service, please return to the confirmation email that you will receive soon after you have registered and cancel your reservation so that others may attend.**
- If you need additional assistance, please call the church at 715-356-3041.
- The Worship Service will continue to be live-streamed on the church's Facebook page by going to <https://www.facebook.com/churchofthepines/live/>.
